2. PPN Linkage Groups

We are delighted to announce the setting up of our linkage groups. Linkage groups are an essential layer of the PPN. They 'link' our Representatives up with our Members. They facilitate input from members into council committees via the Representatives. Put simply, they give Representatives an mandate from our members. Without linkage groups, Representatives won't have the connection to members and might not know how to best represent them. So they really are the link that holds everything together. They will be steered by our Representatives and meet quarterly (online).

We would like to invite our members to join one or more of the following 5 linkage groups:

- <u>Community Safety, Crime and Policing</u>
  Social Inclusion, Rural Development, Youth and Enterprise
- Environment, Climate Change and Biodiversity
- <u>Housing, Planning and Transport</u>
  <u>Arts, Tourism, Heritage and Sports</u>

If you do wish to join please email <u>ppn@corkcoco.ie</u> or call 0214 285340. To find out more about our linkage groups check out our website <u>Linkage</u> <u>Groups - Cork County PPN</u>

10. The Cork County Council are delighted to be involved in the roll out of Broadband Connection Points. The basic concept of BCP's is that publicly accessible buildings be developed at a number of locations throughout the country so that the public living in the local communities can be provided with interim, but immediate, access to high-speed broadband throughout rural Ireland until such time as properties in the area are served directly by the fibre being rolled out under the National Broadband Contract.

This will enable people living in the area to go to the selected locations and access broadband for a range of uses including remote working, general access and keeping in touch with family and friends. The BCP service will remain active until such time as high speed broadband is available at the premises in the locality of the BCP.
